

Funding agency specific criteria – SA MRC

Funding agency	South African Medical Research Council
Funding agency website	www.mrc.ac.za
Contact person	Johan Louw : Johan.Louw@mrc.ac.za
Specific requirements in terms of call scope	As defined in the call with a focus on implementation research proposals
Eligible institutions	South African applicants should have a South African identity number (or permanent SA residence) and be in a permanent working position at a South African Institution.
Co-investigator requirements	It is advisable that the South African PI(s) include co-investigators from his/her own Institution. If the PI for one or other reason cannot complete the study the co-investigator can step-in to complete the study within the timelines agreed to.
Project location requirements	Within South Africa
Eligible costs and further information on funding conditions	As per co-funding agency conditions
Anticipated amount of funding available for this call	As per co-funding conditions
Notes	Please note, the South African Medical Research Council will exclusively co-fund projects, and applicants are therefore required to identify a co-funding agency. Please see guidance on selecting funding agencies and contact the GACD Secretariat for further information if necessary at gacd@ucl.ac.uk
