

GACD SYSTEMS CALL 2025

Health Systems Research Institute - Agency-specific information

Joint funding only

HSRI - Thailand		
Overview	Funding agency website link and contact	For any questions regarding the HSRI process, please contact Dr. Jurairat Phromjai: jurairat@hsri.or.th
	Total budget available for the call	300,000 USD (~10,200,000 THB)
	Approximate number of projects to be funded through this grant call	1-2
	Permitted project length (in years)	1-5 years
Scope	Eligible Conditions	HSRI will accept applications addressing non-communicable diseases and their risk factors, as defined in the tenth GACD Funding Call document on the GACD website .
	Eligible experimental approaches	Both therapeutic and clinical approaches are eligible.
Specific National Rules	Principal Investigator eligibility	One of the Principal Investigators must be based in Thailand.
	Joint funding considerations	Applications for HSRI funding must request joint funding with another agency taking part in the call.
	Project location	Projects must be based in Thailand or the Association of South East Asian Nations (ASEAN).
	Eligible costs and specific funding conditions	Funding will be awarded according to the HSRI Standard Terms and Conditions. The majority of funds contributed by HSRI will be for the exclusive purpose of funding research in Thailand or international collaborative research where one of the Principal Investigators is a Thai researcher.
Resources	Please provide a link to your agency's guidance on equality, diversity and inclusion best practices, if available, and links to any other relevant policies	https://www.hsri.or.th/handbook
