CIHR GACD 2027 Relevance Form

1) Select the appropriate funding pool from the drop-down list: 1) Institute of Musculoskeletal Health and Arthritis Pool and/or 2) Institute of Neurosciences, Mental Health and Addiction Pool

- Funding pools should be selected based on priority order (i.e., most relevant under funding pool number 1).

2) The information in your Relevance Form must clearly describe (in one half-page) how the objectives of your proposed activity align with the selected funding pool(s).

Failure to provide relevance justification for a particular pool will result in the application not being considered for that funding pool.

Funding pool 1: Select One

Funding pool 2: Select One
