

## HSRI Agency-specific information

Health Systems Research Institute Thailand		
<b>Overview</b>	Funding agency website link	<a href="https://www.hsri.or.th/">https://www.hsri.or.th/</a>
	Link to agency-specific application form	n/a
	Agency specific deadlines	n/a
	Total budget available for the call	300,000 USD
	Approximate number of projects to be funded through this grant call	1-2
	Permitted project length (in years)	As projects require co-funding with another agency taking part in the call, please refer to the co-funding agency specific information.
<b>Scope</b>	Eligible Conditions	Proposals should focus on implementation research in the context of the health systems.
	Eligible experimental approaches	Both therapeutic and clinical research are eligible
<b>Specific National Rules</b>	Principal Investigator	The Principal Investigator must be based in Thailand.
	Co-funding considerations	Applications for HSRI funding require co-funding with another agency taking part in the call
	Project location	Projects must be based in Thailand or the Association of South East Asian Nations (ASEAN)
	Eligible costs and specific funding conditions	Funding will be awarded according to the HSRI Standard Terms and Conditions. The majority of funds contributed by HSRI will be for the exclusive purpose of funding research in Thailand or international collaborative research where the Principle Investigator is a Thai researcher.
<b>Resources</b>	Please provide a link to your agency's guidance on equality, diversity and inclusion best practices, if available, and links to any other relevant policies	<a href="https://www.hsri.or.th/handbook">https://www.hsri.or.th/handbook</a>
	Further information	For any questions regarding the HSRI process, please contact Dr. Jurairat Phromjai: <a href="mailto:jurairat@hsri.or.th">jurairat@hsri.or.th</a>
