Lung Health Group

Highlights
Lung Heath Group = 17 funded projects

Energy

Synergy

Momentum
How can we work in with/shape direction GACD going?

- Burden respiratory disease significant
- Respiratory disease management more than smoking cessation
  - COPD
  - Asthma
  - Rehab
- Lower level of funding related to burden
- Continuity of funding for Lung Health?
- Direction of calls, so we can plan ahead
Hot topics

- Climate change and lung health
- Emerging risk factors for lung health
- Multiple lung group application for cancer prevention related to smoking and pollution
- Consortium approach across funders
